

Saturday May 9th At The Magical Moon Farm

(*The day before Mother's Day*)

A Mother's Celebration with Artist/Author *Donna Green*

10:00 am to 4:00 pm
575 Summer Street Marshfield Ma.

Looking for a fun thing to do with mom? Come visit the new Donna Green Studio and see how a family of five generations of artists live and work together in harmony. In honor of Mother's day this year, Donna is opening her home to celebrate the love between mothers and their children. Come enjoy tea and light refreshments with the artist and her family, Monique Parent, Adam Parent and Bea Green.

A special treat at the Magical Moon Farm, will be guest photographer, Ian Murray. Ian will be offering the opportunity to have a beautiful mother child photograph to be taken of you with the artist as she personalizes your *To My Son With Love* or *To My Daughter With Love*, books. These will be for sale during the day. Proceeds will be going to support the Magical Moon Foundation and Farm. It's all for a great cause and a once in a lifetime opportunity to record something special between you and your mom or you and your child.

Another guest for the day will be artist Dawn Rizzo creating and displaying her one of a kind Austrian Crystal jewelry.

Make this a memorable mother's day by celebrating your love for your child or mom in a unique way. While you're honoring your relationship, you will be helping children with cancer and their moms .

To reserve books in advance for signing or list the photographs that you would like to have taken with the artist, please call 781-837-1618 or email Sunshine Patty at Patty@donnagreen.com
